

Attendance

Regular attendance is an important factor in a child's academic success. When pupils are frequently absent, it is difficult for them to keep up with their school work and this could affect their life chances. For this reason, we take school attendance very seriously. Please contact school so we can support with any barriers to attending school. Please visit our website and look through our attendance policy.

Early Help

Many families experience periods where family life has complications. There are times when you need additional help and support. This can come in many different forms and these form our Early Help offer. If you have a concern please contact your child's class teacher or Mrs Linda Hibbert, our Family Liaison Lead. Someone will contact you as soon as possible and arrange a meeting or have a discussion over the phone.

Sleep/Toileting

For both of these a referral can be made to the school nurse
