At Brooklands Primary School, the external gates will open at 8:30am for a 15minute window to allow you to drop your child off at school. The children make their way straight into their classroom where they are greeted by their class teacher and will complete the morning activity. Registration is at 8:45am.

Lessons begin promptly after registration and it is important that lessons are not disrupted by late arrivals as children who are late miss important introductions to lessons.

All children from KS1 upwards have a 15 minutes morning playtime. Our Early Years children don't have an official breaktime as they have access to the continued outdoor provision throughout the day

Lunch is from 11:45am to 12:45pm (for children in the lower school) and 12.00 noon to 1.00 pm (for children in the upper school)

At the end of the school day, parents collect their children from the nearest exit to their child's classroom.

In the event of a closure we will notify you via our text message service, our School Dojo account and the school website.
