

## School Council: Thursday 11<sup>th</sup> October 2018

Apologies:

### Agenda:

Areas for action:

1. European Day of Languages/No Pens Day.
  - Children were asked to discuss their opinions regarding European Language Day/No Pens Day ready for the next meeting.
  
2. Break time/ dinner time.
  - Children were asked to discuss how we can improve break time and dinner time, in terms of the activities they are doing/how behaviour can be improved.

### Feedback from Class Councils:

- Bake off was enjoyed by all classes.
- Children enjoyed working as a team to create their bakes.
- Children enjoyed the competition element of the bake off.
- Some children were upset that they didn't all get a chance to have a go at baking something.
- In some classes only a few children were chosen to bake, which meant other children felt left out.
- Children generally enjoyed the process of baking, in relation to planning, making and decorating.
- Children enjoyed the fact that their bakes were sold to members of the public, however, some children were disappointed when their bakes had already been sold before they got to the sale.

### Any Issues for Discussion?

AOB

- KS2 expressed concerns about the cleanliness of the school, and suggested monitors to monitor places such as the corridors and cloakrooms.
- KS1 also thought they above would be a good idea.

Next School Council is on Thursday 18th October 11:40 am in the ICT room.
